CONCENTRATED INDUSTRIAL STRENGTH HAND CLEANER

HYDRO-HandWash is a powerful citrus based hand liquid that is gentle to your skin with a **pH neutral biodegradable** formulation. Just one little amount will clean and remove the common grease, oils printing inks or engine dirt in no time. Contains a polymer bead based scrubber to remove ingrained dirt by gently massaging the skin without harsh scratching associated with conventional mineral abrasives.

HYDRO-HandWash liquid is made to last and be used directly out of the bottle or in a dispenser leaving a pleasant Citrus fragrance.

HYDRO-HandWash requires less cleaner than its peers further reducing your carbon footprint without damaging your skin.

HYDRO-HandWash:

1. Citrus based, heavy duty waterless hand cleaner;
2. Contains **NO PETROLEUM BASED SOLVENTS**;
3. Made from renewable citrus D-Limonene based (citrus oil) extracts;
4. **Biodegradable**;
5. **pH Neutral**;
6. Contains a polymer bead based scrubber to remove ingrained dirt by gently massaging the skin without harsh scratching associated with conventional mineral abrasives;
7. Formulated and tested to remove quickly grease, oil, carbon black, printing inks, engine grease, all with exceptional results;
8. Skin conditioning agents include Glycerin and Lanolin derivative to help condition the hands without leaving them greasy;
9. Formulated as a thickened liquid to reduce the wastage caused by gel hand cleaners;
10. Formulated to reduce wastage by easy spreading across the hands;
11. Formulated to be able to be used in dispensers;
12. High strength formulation requires less cleaner to be used;
13. Fresh orange fragrance which leaves the wash area smelling fresh;
